

At PNPS we have the following options for practical experience at our school for those who are interested in working with children. Each role varies in its expectations, salary and time commitment.

Facilitators

Teacher Aides

Volunteers

Scribes

Interns

All these roles will offer experience in the following ways:

- Participate in all teaching and lessons
- Mentor and support children holistically (social, emotional and scholastic)
- Assist new children to adjust to the school
- Assist children with tasks in the classroom which supports their learning
- Take pupils to aftercare, extra murals and other lessons if needed
- Prepare classrooms/books for the following day's teaching
- Assist individuals or groups with different learning approaches during the school day
- Modelling the positive discipline approach at the school
- Join the children on outings, school camps and tours
- Develop and maintain individual support plans

Training opportunities

- Attending all staff professional development training and workshops
- Attending the Facilitator Course
- Inclusive education training
- First Aid training
- Sports coaching and training
- Exposure to training for co-curricular activities- School play, C&T, Celebrating the arts
- Contact sessions and skills development with on-site therapist for professional development
