

1. This policy governs all extramural activities at Pinelands North Primary School, i.e. all sports and cultural programmes offered by the school or by external service providers.
2. Our school's inclusive approach to learning also applies to our extramural programme. We are committed to encourage broad participation in extramural activities.
3. We are committed to good sportsmanship. Therefore, we expect all stakeholders to fully adhere to the school's code of conduct and to our code of sportsmanship.

Pupils

4. All pupils must participate in at least one extramural activity.

Members of our teaching staff

5. Every permanent member of our teaching staff is required to be involved in extramural activities for a minimum of two times per week.

External service providers

6. The school is responsible for the extramural programme and maintains oversight over all external service providers involved in the programme.
7. All external service providers are provided with a contract stipulating the expectations of the school.

Uniform

8. Our uniform policy sets out the prescribed uniforms for various sports.
9. If a pupil is not wearing the prescribed uniform, he or she will not be allowed to take part in practices or matches.
