3. Only the official school uniform items listed above may be worn. In wet weather, only the maroon school jacket or navy/black raincoat may be worn.
4. No jewellery or adornments may be worn with the school uniform, including those of a religious nature. Girls who have pierced ears may wear small plain gold or silver studs.
5. Hair must be neatly styled and conservative. Hair which touches the collar needs to be tied up with maroon, navy, white or hair coloured accessories.
6. No coloured t-shirts may be worn under the stone golf shirts. No long sleeved vests may be worn under the short sleeved school shirts.
7. Should a family require a child to deviate from the prescribed school uniform in any way, a formal written application needs to be made to the Governing Body, who will discuss the merits of the case and make an appropriate ruling.
8. All items of clothing must be clearly marked.
9. With the exception of children at our aftercare facility, pupils are expected to wear full school uniform when leaving the school premises in the afternoon. Leaving the school in swimming costume is not acceptable.
10. Pupils are expected to wear full school uniform to all evening functions at school unless specifically told otherwise.

### Civvies

11. Pupils may wear civvies on their birthdays except if their birthdays are on the first or last day of a term, or on the day of an outing. In this instance, they can choose to wear civvies on the previous or following day. Should their birthdays fall during the holidays, pupils may wear civvies for a day in the last week of a term or the first week of the following term.
12. Civvies days are held at various times during the year, usually on the second last day of the term, or if we have a special day such as Valentine's Day. Pupils pay a small 'fine' for this privilege.

### Outings

13. Pupils are expected to wear full school uniform on school outings.
14. Pupils with birthdays on that day must choose another day to wear civvies.

15. If slightly more casual clothing is required for a particular outing, pupils will be informed that they are expected to wear the physical education uniform.
16. If pupils do not arrive in the correct uniform, they will not be allowed to participate in the outing.
17. When going on camps, pupils are expected to come to school in civvies and not in school uniform. Should any other outing require casual clothing, pupils will be informed that they may wear civvies.

#### **Changes to the uniform**

18. Because every uniform change has cost implications for the families at PNPS, uniform changes need to be carefully considered.
19. Changes to the school uniform require a process of parent consultation and have to be ratified by the *Governing Body*.
