4. Pupils may choose to come to school in either school or sport uniform, but there should be no mixing of the two uniforms. Grey hoodies are part of the sport uniform and therefore should not be worn with school uniform.
5. No jewellery or adornments may be worn with the school uniform, including those of a religious nature. Pupils who have pierced ears may wear a single pair of small, plain gold or silver studs in the earlobes.
6. Hair must be neatly styled and conservative. Hair which touches the collar needs to be tied up with maroon, navy or hair coloured accessories. Hair which hangs in the face should be held back with a plain maroon, navy or hair coloured band or hair clips.
7. No coloured t-shirts may be worn under the golf shirts. No long-sleeved vests may be worn under the short sleeved school shirts.
8. Should a family require a child to deviate from the prescribed school uniform in any way, a formal written application needs to be made to the Governing Body, who will discuss the merits of the case and make an appropriate ruling.
9. All items of clothing must be clearly marked.
10. With the exception of children at our aftercare facility, pupils are expected to wear full school or sport uniform when leaving the school premises in the afternoon. Leaving the school in swimming costume is not acceptable.
11. Pupils are expected to wear full school uniform to all school related functions at school or outside of school unless specifically told otherwise. This will include any events which take place after school hours.

Civvies

12. Pupils may wear civvies on their birthdays except if their birthdays are on the first or last day of a

term, or on the day of an outing. In this instance, they can choose to wear civvies on the previous or following day. Should their birthdays fall during the holidays, pupils may wear civvies for a day in the last week of a term or the first week of the following term.

13. Civvies days are held at various times during the year, usually on the second last day of the term, or if we have a special day such as Valentine's Day. Pupils pay a small 'fine' for this privilege. This is optional and the 'fine' is only for the pupils who wish to wear civvies for the occasion.
14. When wearing civvies, pupils should keep in mind that it will still be a normal school day and therefore he/she must be able to carry out all of their daily activities.

Outings

15. Pupils are expected to wear full school uniform on school outings.
16. Pupils with birthdays on that day must choose another day to wear civvies, not the first or last day of the term.
17. If slightly more casual clothing is required for a particular outing, pupils will be informed that they are expected to wear the physical education uniform.
18. If pupils do not arrive in the correct uniform, they will not be allowed to participate in the outing.
19. When going on camps, pupils are expected to come to school in civvies and not in school uniform. Should any other outing require casual clothing, pupils will be informed that they may wear civvies.

Changes to the uniform

20. Because every uniform change has cost implications for the families at PNPS, uniform changes need to be carefully considered.
21. Changes to the school uniform require a process of parent consultation and have to be ratified by the Governing Body.
