

HISTORY OF PINELANDS NORTH PRIMARY SCHOOL

As the school gets older, so do we, and soon many of the people who could tell stories about the history of our school will not be around. Please put your thoughts on paper for us, so that somebody, now or in the future, could write the school's history for future generations. Be as specific, honest and candid as possible, and include other information not specifically asked for, if you feel that it is needed. Thank you in advance for your contribution.

Please send your responses to the school by Monday 2 November, or contact us before that to inform us as to when we could expect a response if this date is impossible.

Name: _____

How were you involved with the school? Please check all that apply:

- Staff member
- Pupil
- Parent
- Governing body
- PTA member
- Other (please specify) _____

During which years were you associated with PNPS? _____
